To Ultimate Organization!

The Unislat Advantage:

- Maximizes storage capacity while minimizes utilized floor space
- Follows 5S Lean Process
- Inventory may be color coded for ease in retrieving and restocking
- Wall design is easily adaptable and changeable
- Shelves, brackets, hangers, baskets and more snap into place and hold a variety of products
- Visually appealing
- Custom design services available
- Quick and easy to install with minimal tools needed; Mounts to existing studs – no mounting brackets needed – all fasteners are hidden
- 50% lighter than wood or metal walls
- Consistent color – no two tone appearance
- Excellent UV stability UL 94 rated – will not fade or lose strength
- Tough, durable PVC plastic – easy to clean, resistant to most chemicals
- Standard PVC length is 96" (+/- 1/8")
- Standard PVC colors – White, Black, Gray and Sandstone; Call to inquire about other colors, minimum quantity applies.
- Aluminum also available – Standard AL length is 72"
- Installation available

Specifications - PVC

part no.	description	length	quantity

Unislat Lean Display Kiosks

- Promote announcements, communications or literature where floor space is limited
- Rotates 360° so each side can be easily accessible in tight spaces
- Easily adaptable and changeable
- Baskets, hooks, or literature holders can be added to meet individual needs.
- Visually appealing
- Quick and easy - no assembly required
- Tough, durable PVC plastic – easy to clean, resistant to most chemicals
- Consistent color – no two tone appearance
- Excellent UV stability UL 94 rated – will not fade or lose strength

This four-sided rotating kiosk is perfect to use as a lean display to promote information on the shop floor. Kiosk displays are very effective as a lean communication board as well for employee entrances and cafeterias. Standard 8.5X11 documents can be displayed in landscape or portrait orientation (display pockets sold separately). Works very well as a SQDC board to display department cost, quality, safety, delivery, waste, and 5S information. Acrylic document holders (sold separately) lock into the display and are easily adjustable and movable. The sharp, black displays are durable and easy to clean and rotates 360° so each side can be easily accessible in tight spaces. Each side of the kiosk can handle 2 to 4 sheets depending on the size of document holder or whether presented in portrait or landscape orientation.

Requires no assembly - just pull it out of the box and your ready to load it up with product. The 63" kiosk sits on a sturdy 18" square base. The 70" kiosk sits on a sturdy 24.5" square base.

The Unislat Lean Display Kiosk is shipped via freight. Depending on delivery location, shipping costs may range from \$225.00-\$450.00 each for the 63" kiosk and \$300-\$500 each for the 70" kiosk. If the actual freight cost is different than quoted, shipping costs will be adjusted. We can only ship to commercial addresses within the United States. If the kiosk will be delivered to a location without a loading dock, a lift-truck fee must be paid prior to shipment. Lead times vary - please call to confirm.

TERMS and CONDITIONS

Minimum Order: \$100.00 or subject to sales. FOR WALL SYSTEMS: discounts available based on volume of linear feet ordered in excess of 5,000 linear feet.

Terms: Credit card or net 30 days from receipt of invoice upon credit approval.

Freight: F.O.B. (our dock) Grand Haven, MI. Customer responsible for shipping costs.

Returns: No material will be accepted for returns without a Return Material Authorization number (RMA). A copy of the RMA must accompany any shipment. All returns will be charged a 25% restocking fee and returned freight collect to shipper. All returns are prepaid back to Unislat unless previously negotiated. Returns must be made within 10 days.

Prices: All prices and terms are subject to change without written notice.

Warranty: All Unislat products are warranted against material and/or manufacturing defects for a period of one (1) year from the date of purchase. This warranty is limited to the replacement and/or repair of the merchandise that proves to be defective in material or workmanship. Warranty excludes items that are tampered with or subjected to abuse or extraordinary wear not normally associated with normal usage.

Damaged Goods: *UPS Shipment* - When merchandise is discovered damaged after opening, call UPS for an inspection report and require UPS to return the item to us. **DO NOT RETURN MERCHANDISE YOURSELF.** *TRUCK Shipment* - Note damage on both the driver's copy and your copy of the bill of lading. Have the driver sign both copies. You can now file the claim with the carrier. If concealed damages are found, keep the carton and call the carrier for an inspection report. If we can be of any service to help file claims, call our customer service department. **DO NOT REFUSE OR RETURN DAMAGED GOODS TO US.**

Shortage: Unislat must be notified in writing of any product shortages within 10 days of receipt of goods. Any claims beyond 10 days will not be honored.
